# Melissa Buttermore

Second  
Grade

## SPOTLIGHT

This May Melissa Buttermore is a beacon of light for our Watson family, shining bright with 33 years of helping students grow & feel pride with their accomplishments.

Mrs. Buttermore attended JRW as a kid (when it was East Auburn Elementary), graduated from Dekalb, and then graduated from Butler University. After some time teaching at Hamilton & NW Allen, she jumped on the opportunity to go to school with her twin boys when they started Kindergarten on JRW. She's been teaching 2nd Grade ever since!

Melissa's husband of 32 years, Bruce, works in HR at Parkview along with their 27-year-old twin boys, Luke who works in Process Improvement & Nick who is a Pharmacist.

They have 2 elderly dogs, Bella and Molly, and 1 cat named Olive.

When she's not in the classroom, Mrs. Buttermore lives life to the fullest by cliff-jumping in Hawaii & meeting the Iditarod sled-dogs in Alaska! She also enjoys cooking, gardening, reading, playing cards and games with the family & taking in the country view from her back porch with a good book and a Diet Coke!

Thank you to Mrs. Buttermore for all you do!
